INFORMATION CIRCULAR

Solicitation of Proxies

This information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Smartcool Systems Inc. (the “**Company**”) for use at the annual general meeting of the shareholders (the “**Shareholders**”) of the Company (the “**Meeting**”) to be held at 900 – 885 West Georgia Street, Vancouver, British Columbia, on October 28, 2016, at 9:00 a.m. (Vancouver time) and any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting of Shareholders.

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. All costs of this solicitation will be borne by the Company. The Company has made arrangements for intermediaries to forward solicitation materials to the beneficial owners of the common shares of the Company (the “**Common Shares**”) held of record by those intermediaries and the Company may reimburse the intermediaries for reasonable fees and disbursements incurred by them in so doing.

Notice of the Meeting was provided to the securities commissions in each jurisdiction where the Company is a reporting issuer under applicable securities laws.

In this Information Circular, references to “the Company”, “we” and “our” refer to Smartcool Systems Inc. “Common Shares” means common shares in the authorized share structure of the Company as at the date of this Information Circular. “Beneficial Shareholders” means Shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

Date of Information Circular

Information contained in this Information Circular is given as at September 23, 2016, unless otherwise indicated.

GENERAL PROXY INFORMATION

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or

- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered Shareholder or the Shareholder's authorized attorney in writing, or, if the Shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the proxy bearing a later date with Computershare Investor Services Inc., or at the address of the registered office of the Company at 900 - 885 West Georgia Street, Vancouver, British Columbia, V6C 3H1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (c) by the registered Shareholder personally attending the Meeting and voting the registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A Shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the Shareholder on the Shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **Computershare Investor Services Inc., at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524**, or by telephone to 1-866-732-VOTE (8683) Toll Free or internet at www.investorvote.com not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with the instructions of the Shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and

- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered Shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, **Computershare Investor Services Inc., 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) Toll Free or internet at www.investorvote.com** not less than at any time up to and including 9:00 a.m. (Vancouver time) on October 26, 2016.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to the registered Shareholders by the Company.

However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed September 23, 2016, as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of September 23, 2016, the Company had outstanding 140,542,737 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company is also authorized to issue an unlimited number of preferred shares. There are no preferred shares issued and outstanding as at the Record Date.

To the knowledge of the directors or executive officers of the Company, no person or company beneficially owns, or controls or directs, directly or indirectly, Shares carrying 10% or more of the voting rights attached to the outstanding Shares of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the ordinary resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

Recommendation of the Board

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

ELECTION OF DIRECTORS

The Board currently consists of four (4) directors. Management proposes to fix the number of directors of the Company at three (3) and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Canada Business Corporations Act* (the "CBCA") or the By-laws of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares of the Company which each beneficially owns or over which control or direction is exercised:

No proposed director of the Company was, as at the date of the Information Circular, or has been within 10 years before the date of the Information Circular, a director or executive officer of any company (including Smartcool Systems Inc.) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Stock Option Plans and Other Incentive Plans

The only equity compensation plan that the Company has in place is its stock option plan dated for reference September 27, 2001 as amended September 25, 2015 (the "Plan"). The Plan was established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company's other previously established or proposed share compensation agreements, may not exceed 20% of the total number of issued and outstanding Common Shares. All options expire on a date not later than ten years after the issuance of such option.

A copy of the Plan is available for review on the Company's profile at www.sedar.com.

Employment, Consulting and Management Agreements

Mr. Theodore Konyi is an employee of Maxwell Mercantile, which entered into a consulting agreement (the “Consulting Agreement”) with the Company effective January 1, 2015. Maxwell Mercantile has agreed to make Mr. Konyi available to the Company, and Mr. Konyi provides management services to the Company in the role of Chief Executive Officer for a monthly fee of \$15,000 paid to Maxwell Mercantile. Maxwell Mercantile is entitled to receive an annual bonus equal to 5% of all sales revenue in excess of \$1,500,000 per fiscal year or 10% of EBITDA (earnings before interest, taxes, depreciation and amortization) in excess of \$300,000 per fiscal year, whichever is greater. The Consulting Agreement has a twelve month-term with automatic renewals of additional twelve month terms unless either party gives 60 days written notice to the other of its intention not to renew. The Consulting Agreement may be terminated by the Company upon payment of a termination fee of 12 times the monthly fee.

Mr. Burnes entered into an employment agreement (the “Employment Agreement”) with the Company dated September 1, 2004 with an effective start date of October 15, 2004 which provided for a base salary of \$10,000 per month, to be reviewed annually by the Board. The Company may terminate employment for reasons other than for cause by paying him a total amount equal to three months’ salary in lieu of notice in the first year of employment, six months’ salary in lieu of notice during the second and third year of employment, nine months’ salary in lieu of notice during the fourth and fifth year of employment and twelve months salary in lieu of notice thereafter. The Employment Agreement was amended as of February 1, 2009 (the “Amended Employment Agreement”). Under the Amended Employment Agreement, Mr. Burnes’ base salary was increased to \$15,000 per month and the severance payment in lieu of notice after five years of employment was changed to twelve months salary plus one additional month for every year to a maximum of 16 months. The Amended Employment Agreement was further amended as of February 1, 2015, whereas Mr. Burnes’ base salary was decreased to \$10,000 per month.

There are no other employment contracts between the Company and the Named Executive Officers.

- (b) a change of control of the Company; or
- (c) a change of the Named Executive Officer’s responsibilities following a change in control.

Oversight and Description of Director and NEO Compensation

The Board as a whole has the responsibility of determining the compensation for the CEO and the CFO and of determining compensation for directors and senior management.

The Board's compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed by the Board to provide competitive levels of compensation. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Company's NEOs may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objectives and reasons for this system of compensation are to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal "peer group". The Board relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan that the Company has in place is its stock option plan dated for reference September 27, 2001 as amended September 16, 2011 (the "**Plan**"). The Plan was

established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Company's other previously established or proposed share compensation agreements, may not exceed 20% of the total number of issued and outstanding Common Shares. All options expire on a date not later than ten years after the issuance of such option.

The following table sets forth securities of the Company that are authorized for issuance under equity compensation plans as at the end of the Company's most recently completed fiscal year:

MANAGEMENT CONTRACTS

There are no management functions of the Company or any of its subsidiaries which are to any substantial degree performed other than by the directors or executive officers of the Company or its subsidiaries.

CORPORATE GOVERNANCE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted

according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”).

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the “**CSA**”) have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The independent members of the Board of the Company are Dalton Larson and Brad Nightingale. The non-independent directors are Theodore Konyi, Chief Executive Officer, and George M. Burnes, the President of the Company.

The Board facilitates its independent supervision over management by choosing management who demonstrate a high level of integrity and ability and having strong independent members. The independent directors are, however, able to meet at any time without any of the non-independent directors being present. Further supervision is performed through the Audit Committee who may meet with the Company’s auditors without management being in attendance.

Directorships

The participation of the directors in other reporting issuers as at the date of this Management Circular is described in the following table:

Name of Director	Names of Other Reporting Issuers of which the Director is a Director
Theodore Konyi	Digital Caddies Inc.
Dalton Larson	Energizer Resources Inc. Anterior Education Holdings Ltd.
Brad Nightingale	Digital Caddies Inc.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company’s business and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussions with all board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Company's Shareholders for election at the annual meeting of the Company's Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The CEO's compensation was recommended and approved by the Board in consultation with the Company's legal counsel.

Directors' compensation was recommended by the CEO and approved by the majority of directors.

Other Board Committees

The Board has no committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and committees.

Nomination and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

Expectations of Management

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

National Instrument 52-110 (“**NI 52-110**”) of the CSA requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee (the “**Audit Committee**”) and its relationship with its independent auditors, as set forth in the following.
